BELL COUNTY, YOU  
CAN'T RENEW**

# SCOFFLAW

Section 502.010 of the Texas Transportation Code allows a freeze on vehicle registrations of those who owe the county/city/toll authority a fine or fee that is past due. The vehicle registration block can only be removed by paying the fines and fees. The SCOFFLAW program has been led by the Bell County Commissioners Court. The goal of the SCOFFLAW program is to increase the number of paid traffic citations for Bell County and other participating entities.
